

IT'S MORE THAN BUYING A BEER AFTER THE GAME.....

Becoming a Sponsor Family for one or more of our Riverkings comes with a lot of commitment. It's a rewarding opportunity to provide exposure to family life to a player that is from out of state or even here from another country. This provides them with a local family and a home away from home. It helps to provide an avenue for the players to form friendships and gather support beyond the rink.

This gives you an opportunity to get to know the player(s) off the ice. Of course members are expected to respect the privacy of players, staff, and their families both on and off the ice.

Sponsorship families open their homes to their players, having them over for home cooked meals, taking them bowling, playing miniature golf, jumping high at sky zone or even a night at the movies. Holidays can be lonely for our players and we encourage you to invite them to your family gatherings, to include them much like you would your own child. No matter how young or old the guys are, everyone enjoys feeling like a part of a family. Don't forget their birthdays; age is irrelevant when it comes to making someone feel important.

Simple examples you can do for your player can be:

- Cards/Texts of Encouragement
- Home-made treats
- Game Day posters

There are other responsibilities that come with this commitment such as, but are not limited to:

- Taking them to get groceries each month (this may include personal care items, over the counter medicines, cleaning supplies, ETC)
- Treating them to a meal/beverage after a game
- Picking up their family members/significant other from the airport
